

## **National Safety Commission, Inc.**

### **Job Responsibilities**

We are currently looking for individuals who would like to work at home taking in-bound phone calls. You must have high speed internet access (Broadband/DSL), a computer with a Windows XP operating system, Microsoft Office and automatically updating antivirus software.

### **Job Requirements**

Call center experience and at least a two year degree preferred.

### **Job Salary/Benefits**

Starting salary is \$24,000 per year if you are bilingual (English/Spanish) plus bonuses based on sales and \$22,000 per year plus bonuses based on sales if you only speak English. We also have customer service only positions available. All jobs are full time, and we offer flexible scheduling for those in college. Employees earn one day of vacation every month from their date of hire and are eligible for health and dental insurance after a waiting period as well as participation in a 401k plan.
