

# NOW HIRING

# AT HOME PHONE AGENTS

We are currently looking for individuals who would like to work at home placing out-bound calls. You must have high speed internet access (Broadband/DSL), a computer with Windows XP, Microsoft Office, and automatic updating antivirus software. Call center experience and at least a two year degree preferred.

Initial salary is \$22,000 per year. Employees earn one day of vacation every month from their date of hire. Health insurance, dental insurance and 401k program are also available after a waiting period.
